FORKLIFT SERVICES AND SHOW SITE SHIPPING With Fern Expo Services

Forklift Services

Exhibitors requiring forklift services should make arrangements with Fern prior to move in. Details:

- All details, prices and ordering information are available within the Fern Expo "OneView" account link sent to each booked exhibitor.
- Forklift and operators are available to assist you with setup, spotting of machinery and un-skidding once it has been delivered to your booth. Do not order forklifts to unload your freight carrier.
- If a crane or special lift is needed, please call Fern customer service for availability and quote
- Payment is due and payable when services are ordered online.
- The exhibitor is responsible to check-in with the Fern service desk when the forklift is needed
- **Check in at the Fern service desk on show site when you are ready for your Forklift. All Forklift orders are assigned on a first come first serve basis.**

Show Site Shipping Services

Shipping arrangements can be made with Fern Expo. Two options:

- Advanced shipping - Fern Expo will store and deliver your exhibit materials to the Minneapolis Convention Center for a charge. Receiving dates vary, ending approximately 1 week prior to move in. (2027 dates January 13-February 12, 2027)
- Direct to show site shipping - to be received by Fern Expo at show site for a charge. 2027 receiving dates begin February 21, 2027
- All ordering and payments are made in advance, though the Fern Expo OneView account link emailed to each booked exhibitor.
