## EXHIBIT SPACE DETAILS

### Standard Inline Exhibit Booths

Each standard inline pipe and drape exhibit booth(s) will be defined by 8' tall **SOLID BLACK** back drape with 32" tall **SOLID BLACK** dividing drape.

### Peninsula / End-Cap Exhibit Booths

Each peninsula bulk area or end-cap exhibit booth will be defined by tape lines on the floor and will have a 10' wide wall of **SOLID BLACK** back drape centered at the rear of the exhibit space. A 7" x 44" booth number will be installed on the back drape to identify the space.

Please note, peninsula / end-cap exhibit booths do not have a full wall of back-drape. Exposed unfinished booth structures (i.e. back side of a popup display, unfinished wall structure or any other unfinished surface) facing adjacent exhibit booths is not permitted. It is the responsibility of the exhibitor who has an unfinished booth structure to provide suitable masking of the unfinished surface. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

## **Bulk Exhibit / Island Booths**

Each island bulk area exhibit booth will be defined by tape lines and will be identified by a number written in chalk on the floor. Please note, bulk exhibit spaces do not come with any pipe and drape. Masking drape is available on enclosed Carpet/Special Background Drape order form for this purpose.

## **Booth Carpeting / Flooring & Table Skirting**

Marketplace Events requires all exhibit spaces to be carpeted or have approved professional flooring and all tables to be covered or skirted with approved skirting. Approved carpeting and table skirting can be ordered with the enclosed order forms.

### **Carpeted Areas:**

- Room 101 will contain the 100 Series of Booths. This room is permanently carpeted.
- The Ballroom will contain the 200 Series of Booths. This room is permanently carpeted.
- Room 106 will contain the Decorating Ideas Center and 300 Series of Booths. This room is permanently carpeted.
- The Main Exhibit Floor, located on the upper level of the BCC, will contain booths 400-1100. **These booths do not include carpeting. Aisles only will be carpeted in SPECKLED BLUE. Note: Carpeting or Professional Flooring, approved by Marketplace Events, is required in each exhibit space.**

## **AISLE CARPET DETAILS**

All aisles will be carpeted in [Speckled Blue](#).

VERY IMPORTANT: Because the aisles and the aisle carpet are exactly 9' wide, it is very important that all items are kept entirely within the exhibit space defined by tape lines on the floor and / or pipe and drape boundaries. This will ensure that aisle carpet can be rolled out without encountering any obstruction from exhibits protruding outside of their designated exhibit area. Exhibits extending beyond their space will be assessed a cut and lay charge for any aisle carpet that will be destroyed because of this infraction.

## **MOVE-OUT / CLOSE OF SHOW DETAILS & PROCEDURES**

Immediately after the show closing announcement, all children must vacate the show floor before any move-out can begin. Hale Northeastern, Inc. will immediately begin to roll aisle carpet as soon as all children are off the show floor. To expedite removal of the aisle carpet, please do not place any items on the aisle carpet as this will delay the move-out procedure for everyone. As soon as the aisle carpet is rolled, overhead and dock basin doors will be open at which time move-out can begin. Please note, the "all clear" for door opening can take as long as 30 minutes to an hour after the closing of the show. It will significantly shorten the time of the process if all exhibitors and exhibit material remain inside the exhibit space(s) until the overhead and dock basin doors are open. Once the doors have been opened, Hale Northeastern will begin to distribute the empty containers for those exhibitors who had empty containers stored during the show. Depending upon the amount of items in storage, this process can take one to three hours after empty container distribution begins.

All items must be removed from the show floor by 12:00 PM on **Monday, March 18, 2024**. The Buffalo Convention Center, with Hale Northeastern, Inc. reserves the right to confiscate any displays still on property after this time. Marketplace Events, Hale Northeastern, Inc. and the Buffalo Convention Center are not responsible for exhibit items left on the show floor after this time.

At the close of the show, it is the exhibitors' responsibility to make sure that all debris and waste is removed from the area occupied by their exhibit space. Waste must be disposed of properly in the appropriate containers that will be distributed around the show floor or loading dock area. Exhibitors that fail to comply will be billed for cleaning on a per hour basis.

**Acceptable File Formats For Artwork**

**Vectorized Artwork** – is the preferred format for artwork containing logos and fonts because it allows for exact reproduction without any loss of quality. These files are commonly produced with programs such as Adobe Illustrator or Corel Draw. Common file extensions for Vectorized artwork are: .eps, .pdf, .ai or .cdr

**Rasterized Artwork** – is the preferred choice for photo reproduction. Raster images can be resized only with the amount of information contained within the image. Higher resolution images will scale up better than low resolution images. **To prevent unsatisfactory results, Hale Northeastern, will not use web images for reproduction on signage.** Common file extensions for rasterized images are: .psd, .tif, .jpg (although .eps and .pdf can also contain raster images)

Please note, .eps and .pdf can also contain raster images as well (less preferred).

If you need a quote for specific services or would like to speak with one of our graphic artists, please call us at 800-333-4253 and ask for the Sign Department

Hale's liability shall be limited to the physical loss or damage to the specific article which is lost or damaged, and in any event Hale's maximum liability shall be limited to \$.30 per pound per article with maximum liability of \$50.00 per item and \$1000.00 per shipment, whichever is less.
- Hale shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.
- The consignment or delivery of a shipment to Hale by an exhibitor, or by any shipper to or on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this bulletin.
- Hale shall not be responsible for theft or damage while empty crates are in storage.
- Material left behind without orders at the Material Handling Desk may be classified as abandoned. The Material Handling Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
- EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Hale Northeastern Inc. is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Hale Northeastern are based on the value of the material handling services and the scope of Hale Northeastern liability as set forth above.
  - Please be sure that your insurance coverage is effective from the time your equipment leaves its point of origin until its return to its final destination after the show. Your public liability insurance should be in effect and adequate to protect you against any claims arising out of the operation of your exhibit. Hale Northeastern Inc. policies DO NOT include any coverage for individual exhibitors and cannot be held liable, under any circumstances, for any loss or damage of any kind. We will, however, take every precaution possible to protect your shipment prior to your representative's arrival.

## PAYMENT POLICY & SHIPMENTS

- Hale Northeastern must have a valid credit card on file before freight will be delivered to your booth. Collect shipments will not be accepted. Please complete the credit card authorization provided in this kit. Shipping / Material Handling charges will be incurred at the close of the show.
- All shipments must adhere to the arrival dates listed. Shipments arriving prior to move-in time must be consigned to the advance shipping warehouse. The exhibit facility has no provision for accepting or handling freight prior to the scheduled move-in date.
- We cannot guarantee shipment arrival times. Please be sure to request that your carrier delivers your total shipment at one time.
- BILLED WEIGHT is based on incoming weight, whether the above services are used completely or in part. The weight is rounded up to the nearest one hundred pounds (100 lbs.) and is taken from the INBOUND BILL OF LADING and/or the Certified Weight Ticket. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Hale. This weight will prevail. **THERE IS A 200 lbs. MINIMUM CHARGE ON ALL SHIPMENTS OVER 25 lbs.**

## ORDER FOR MATERIAL HANDLING SERVICES

We hereby authorize Hale Northeastern Inc. to handle our shipment(s) in accordance with the information set forth above in the "Limits of Liability" section of this form, and we further agree to the following:

- We agree to the "limitations of Hale's Liability and Responsibility" as set forth above.
- We agree that Hale's liability shall be limited to any loss or damage which results solely from Hale's negligence in the actual physical handling of the items comprising our shipment(s), and not for any other type of loss or damage.
- With particular reference to subparagraphs A and B of the above, we agree, in connection with the receipt, handling, storage, and re-loading of our materials at the convention site (as distinct from Hale's warehouse), that Hale will provide its services as our agent, and not as Bailee or shipper. If any employee of Hale shall sign a delivery receipt, bill of lading, or other documents, we agree that Hale will do so as our agent, and we accept the responsibility therefore.
  - Relative to outgoing shipments after the show, we recognize that there will be a lapse of time between the completion of packing and the actual pickup of our materials from our booth for loading into a carrier, and that during such time our shipment will be left unattended in our booth. We agree that Hale shall not be responsible for any loss or damage during such period, and we authorize Hale to adjust the quantities of items on any bill of lading left by us with Hale to conform to the actual count of such items in the booth at the time of pickup.
- Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.
- We agree, in the event of a dispute with Hale relative to any loss or damage to any of our materials or equipment, that we will not withhold payment of any amount due to Hale for drayage or any other services provided by Hale as an offset against the amount of the alleged loss or damage. Instead, we agree to pay Hale within 30 days from the close of the show for all such charges, and we further agree that any claim we may have against Hale shall be pursued independently by us as a completely separate transaction to be resolved on its own merits.
