

FLOOR COVERING INFORMATION

What is Floor Covering?

It is a cover for your booth floor, such as carpet or a foam flooring. See photos below.

Why do I need Floor Covering?

- The floor covering in the booth is simply for aesthetics. It is pleasing to the eye and helps your booth look nice for the attendees that are visiting.
- It is also a comfortable for your feet after standing long hours on concrete!

Where can I get a floor covering?

- You can rent a piece of carpet from the decorating company, LVE, who we use for the show. This year's prices are TBD and will come out in the Vendor Kit this summer.
- You can also bring your own flooring. It is cost efficient to invest in flooring if you will be doing more MPE shows. Our company mandates that flooring is used in booths for all our shows.

Where can I purchase floor covering?

- Any of the box retail stores like Walmart, Target, or Costco have pieces for purchase. (Especially during back-to-school time, for dorms!)
- A few vendors have purchased flooring this past year and sent me links to find foam flooring.
