Exhibitor Manual

This Exhibitor Manual has been compiled to help you and your staff with complete details about all phases of the exhibition process at the **2026 Halifax Fall Home Show**.

Enclosed you will find helpful information to make your participation in our show successful.

IMPORTANT - NEW THIS YEAR

TENTS

Tents are not permitted without the prior consent of Show Management. Having a tent in a prior show does not mean consent has been implied.

To obtain consent, you must request permission from the show manager (seanm@mpeshows.com) along with a photograph of your attached tent tag showing flame resistance ratings CAN/ULC S109 or NFPA 701 Test 2.

This will be verified at the show on set up as well. Paperwork will no longer be accepted.

We strongly urge that you give this manual to those who have responsibility for your participation in the show.
