HGTV's Unsellable Houses!

PNW locals, Lyndsay Lamb and Leslie Davis are twin sisters, multi-business owners, top-producing real estate agents, and co-hosts of HGTV's Unsellable Houses. They've combined their years of experience and passion for business, marketing, home design, and staging to bring their company, Lamb & Co., to life, including a top-producing real estate company, brick-and-mortar retail storefront, Lamb & Co. Design, and Lamb & Co. Renovations. Lyndsay's the design, marketing, and staging guru, and Leslie's the negotiation, budget, and behind-the-scenes expert; together they make the perfect team. The sisters will take the Stage on Friday and Saturday to share home improvement tips, design and decor ideas, and everything you need to help your home stand out – whether you're looking to sell or not.

Local Makers Market

The show is thrilled to host an even more expansive group of artists from Tacoma's Local Makers Market for a second year, providing a space for local creatives to show and sell their goods. Attendees will enjoy connecting with their community and supporting up-and-coming local artisans by shopping displays of hand-made home goods, accessories, art, kitchen tools, apparel, and more.

Humane Society

With a heartwarming new addition, this year's show will proudly host a special area dedicated to local Humane Societies with Foster Dogs on site, giving visitors the opportunity to meet furry friends and learn how to best support the Tacoma and Pierce County Humane Society, Auburn Valley Humane Society, and more incredible organizations.
