Section 1 – Creating Your Exhibit

TACOMA DOME IS AIR-CONDITIONED, DRESS ACCORDINGLY

BOOTH GUIDELINES

- All inline exhibitors will have an 8' high black pipe and drape sidewalls and backwall, as well as an exhibitor identification sign (see page 10) with your company name and booth number.

- A corner booth has only a back drape and side wall with adjoining exhibitor, open on the corner.
 - An island booth, open on all sides, does not have any pipe and drape or ID sign.
- Exhibitors are responsible for all other aspects of their exhibit space, including floor coverings, electricity (if more is needed than included 600 watts), lighting, decoration, and tables/chairs.
- **Helium-filled balloons and other inflatable items are NOT permitted in the Tacoma Dome as per building regulations.** Please do not give stickers to attendees.
- Allow 4" leeway when installing hard wall displays.
- All merchandise and materials must be contained within the exhibit space throughout all Show days.
- No exhibitor may sublet any portion of their booth to another supplier without the written consent of Show Management.
- Maximum height, including signage, for the back and side drape is 8 feet in height.
 - Signs exceeding booth height requirements must be approved by Show Management, or exhibitors may be asked to remove the sign.
 - Feather flags or similar attention-getting advertisements are not allowed unless they do not exceed 8ft height and are completely within your booth space; they may not hang out into the aisles or be above the drape.
 - All unfinished portions of displays must be draped or finished to be pleasant to the public view. Show Management may require exhibitors to purchase drape if display is not finished adequately.
 - All exhibits must be free standing and self-supporting. Free standing bulletin boards, signs, etc. may be used providing exhibits that are not hidden from view.
 - Use of tent canopy must be approved by Show Management.
 - Structures cannot be over 299 sq ft, and any structure with walls must have a fire extinguisher (Class C) and smoke detector.
 - Exhibitors are strongly advised to have one handheld fire extinguisher in their booth.

Management reserves the right at any time, without prior notification, to alter exhibits, aisles, common carpet, feature sizes and locations to best serve the interest of the show. Their decision will be final.

AISLE RESTRICTIONS

- **All business must be conducted within your assigned booth space and AT NO TIME be conducted in the aisles.** Please do not talk to customers outside of your booth.
- Exhibitors must refrain from calling out into the crowd to draw attention away from other businesses. Please represent your company in a professional manner.
- All merchandise must be displayed inside your booth. Please do not extend past the outer boundaries of your exhibit into the aisles or an adjoining booth, including your booth's carpet.
- Marketplace Events reserves the right to remove any merchandise exhibited in the aisles.
- It is against show policy for exhibitors to hand out literature, samples or obtain leads, etc., in the aisles, bathrooms, or in other exhibitor booths. These activities must be done inside your own exhibit space(s).
- Entering another exhibitor's booth without their permission is **STRICTLY PROHIBITED**.

FLOORING

Floor covering is required in all booth spaces.

- Your exhibit must have floor covering completely covering the exact dimensions of your designated space so that no concrete is exposed. No partial floor coverings are permitted.
- You can provide your own flooring or rent carpet from [Trade Show Supply House](#).
- If you provide your own carpet, please use some type of clean, professional-looking covering, like carpet, AstroTurf, hardwood, tile, vinyl flooring, etc.
- Exhibitors with floor coverings of poor quality and appearance, or inaccurate dimensions will be required to provide a replacement of acceptable standards.
- You must secure the front edge of your carpet to the concrete floor using double back tape to avoid any tripping hazard. If you do not bring your own tape, you can purchase it from the decorator at show rates.
- The floor of the Tacoma Dome is sealed and painted concrete. Do **NOT** use Duct Tape on the floor, as it does not remove easily, and you will be charged to have it cleaned off the Tacoma Dome floor.

LIGHTING

We strongly recommend that all exhibitors add additional lighting to their display. The 8ft black drape high side walls tend to make booths a little in the shadows, especially if you have a 10' x 10' inline.

- The lighting in the Tacoma Dome during show days will be ambient and not at full strength.
- The overhead show lights will not be adjusted during show days, and do not assume that the show lighting will provide enough illumination for your display.
- Please provide your own lighting or rent from [CORT Pro Services](#).

TABLE COVERINGS

- **It is mandatory that all tables are properly skirted.**
- Skirting must go from the edge of the table to the floor on all VISIBLE sides.
- All skirting must be pressed and clean.
- Use of plastic tablecloths, sheets, shower curtains or any type of “makeshift” tablecloth is not permitted.
- Management will skirt all incorrectly skirted tables at the exhibitor’s expense.
- You can order table skirting from [Trade Show Supply House](#).

FREIGHT HANDLING AND FORKLIFT SERVICES

The Show Decorator will provide material handling at the Tacoma Dome during move-in. It is recommended that exhibitors are on hand to receive their shipments. This avoids damage and theft of goods and ensures delivery to correct booths. Show Management and Trade Show Supply House will not be liable for shipments once they are placed in your booth space.

Show Management will absorb the cost of forklift service to a specific display area; however, any extended or special usage will be at the exhibitor's expense. For individual special needs, please contact Trade Show Supply House in advance at bryan@thedecorator.net.

The Tacoma Dome's security office does NOT sign for deliveries on behalf of exhibitors, nor do they store shipments. Any shipments arriving before January 27 will not be accepted and will be returned at the exhibitor's expense.

All shipments must be addressed as below.

RESTOCKING

Your inventory may be restocked Friday through Sunday mornings prior to Show opening, between 9 am and 11 am, by using the Exhibitor entrances. You must be wearing an Exhibitor Badge, and security measures will be in place – bag checks and metal detectors. Thursday, opening day, you may enter at 8 am.

The Tacoma Dome will not have flatbed handcarts available for restocking on show days, so please bring your own. Hand trucks and dollies are not permitted on the Show floor during Show hours to avoid the risk of injuring attendees. Please remember to label all your personal property – such as handcarts and tools.

STORAGE

Exhibitors are expected to arrange for storage of empty crates off-site, at their own expense. Fire Marshal regulations prohibit the storage of boxes, crates, packing materials, etc., and not over one day's supply of literature in the exhibitor's booth space. The Tacoma Dome does not have storage available.

PARKING

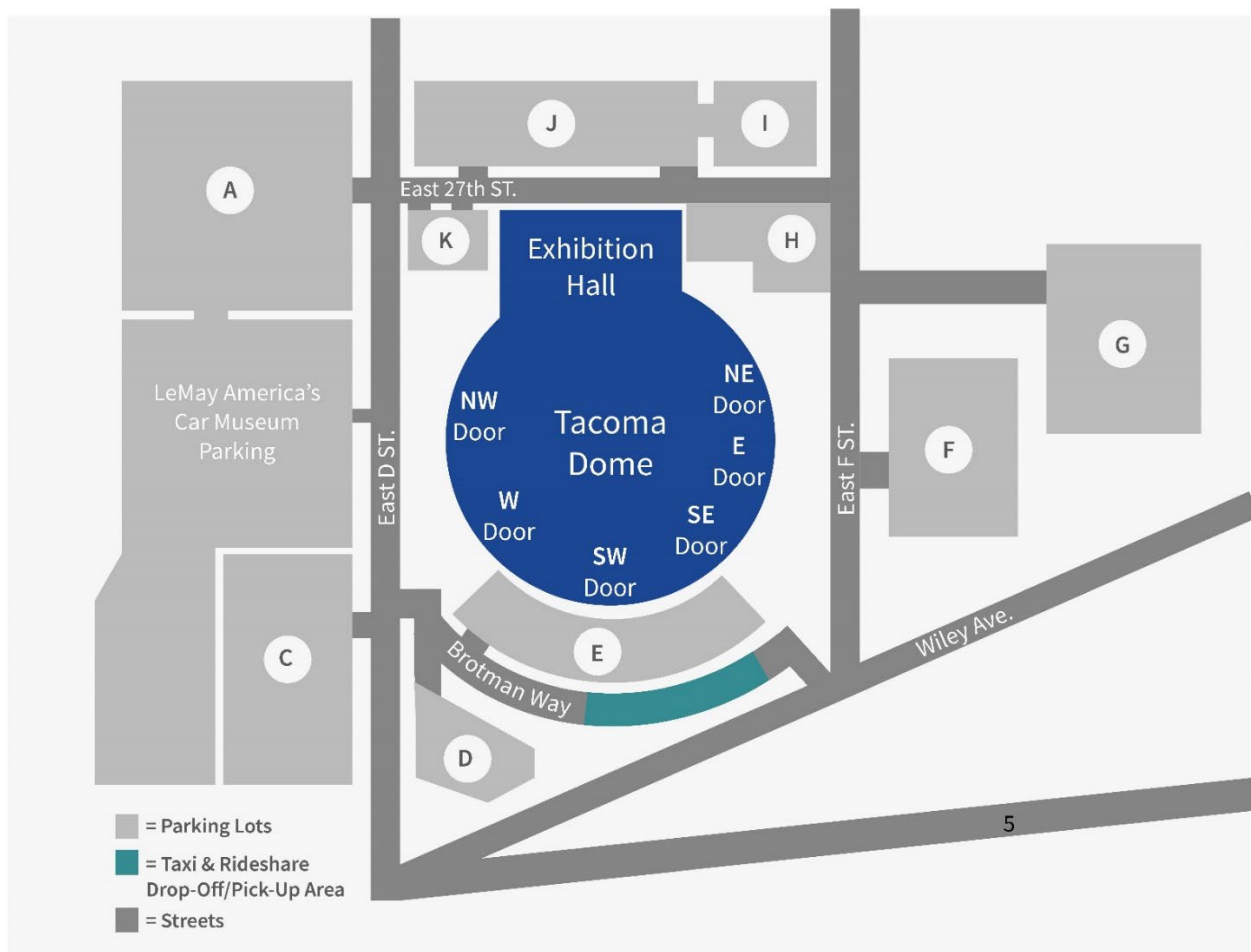

Parking for attendees AND exhibitors is free throughout the show! Parking is first-come, first-served.

During show days, exhibitor parking for the Arena is in Lot F and G. The Exhibitor Entrances are located at the NE and NW doors of the Tacoma Dome. Exhibition Hall exhibitors may park in J-Lot.

Please park in a designated parking stall only. Do not block entrances, other vehicles, or fire lanes, or you will be towed.

During show days you can only enter the building if you have your Exhibitor Badge. Please note all Dome entrances will have security checks. **If you do not have your badge, you must enter through the NE doors by the F-Lot and proceed directly to the Show Office.** [CLICK HERE](#) to download the parking map.

Sunday: 11 am to 5 pm

We recommend exhibits be staffed all Show hours, with booths open and staffed by 10:50 am each morning. Please let the Show Office know if you need to leave your booth.

Show Management reserves the right to refuse admission or ask to leave the facility to any exhibitor or exhibitor's employee who is deemed by Show Management to be aggressive, intoxicated, or is in any way creating a disruption to the show.

EXHIBITOR BADGES

Exhibitor badges are the entry passes into the building during show days and will be issued according to your square footage. You are not permitted to use badges for personnel who will not be working your exhibit.

0 – 100 square feet	=	5 badges
150 – 200 square feet	=	7 badges
300+ square feet	=	9 badges

Your badges are to be picked-up from the Show Office in AQ3 during Move-In. They will not be mailed. Once picked up, you are responsible for distributing the badges to your staff prior to entering the building. **DO NOT LEAVE THEM IN YOUR BOOTH.** [CLICK HERE](#) to view the show floor map to show the location of the Show Office.

Exhibitor Badges are required to enter the building on show days. If you need to leave a badge for a worker, you may do so at the Show Office, accessed in the back of the Tacoma Dome through the F Lot, or in Will Call, located out the main front entrance. Will Call is for one-time pick up only – do not rotate badges in Will Call.

If you have more workers than the allotted number of badges, you may leave the badges in the Show Office to be rotated daily by your staff. Please instruct your staff to daily drop off and pick up their badges at the Show Office, and to park and enter from the F-Lot in the NE corner of the building to reach the Show Office. No exhibitor will be allowed through the main entrance of the show without a badge. Do not rotate badges in Will Call. If at any time all your badges are missing, you will be charged \$7.00 for a replacement badge. Any questions, please email EmilyB@mpeshows.com.

- Thursday, opening day of the show, Exhibitors are permitted to enter the premises at **8 am** via the Exhibitor Entrances, located at the NE and NW Arena doors. [CLICK HERE](#) for Tacoma Dome parking map.
- The remaining show days, Exhibitors can enter the building at **9 am**.
- If you require access to the premises earlier than two hours before the show, you must obtain authorization from the Show Management the day prior. Security personnel will not permit access without this authorization. If the facility requires special arrangements for extra security during this early access, **the cost of this security will be charged to the exhibitor.**

- **Exhibitor Badge must be worn at all times during show days.** Security guards are instructed to refuse admittance to anyone not wearing an exhibitor badge. If you misplace your badge, you can only enter through the NE Exhibitor Entrance and tell the guards you must go to the Show Office to pick up a badge.
- If you leave the building for any reason, even to go to your car or Will Call, you must be wearing your badge to re-enter the building.
- Exhibitors will be subject to a search and metal detector prior to entering the facility. This includes bags, backpacks, purses, briefcases, totes, boxes of product, etc. Please **allow extra time for entry.**

EXHIBITOR BADGES MAY NOT BE USED AS ADMISSION TICKETS. Each exhibitor will receive 10 complimentary tickets which are to be used for family, friends, and clients. Additional passes can be purchased for only \$7.50 each. Contact EmilyB@mpeshows.com or purchase on-site at the Show Office.

EXHIBITOR ENTRANCE – SHOW DAYS

Arena exhibitors should park behind the Tacoma Dome in **F & G** parking lots. Exhibition Hall exhibitors may park in J-Lot. This gives the attendees more room to park in the front “A” lot of the Tacoma Dome. Exhibitors are permitted to enter the premises at **8 am on Thursday** via the Exhibitor Entrance, located at the NE and NW Arena doors. **Exhibitor entry is 9 am Friday through Saturday.** Please note that all Dome entrances will have security check/bag search on show days – **please allow for extra time to enter the building in the mornings.**

Permitted animals must always be on a leash, within a pen, or under similar controls. The owner takes full responsibility for his/her own animal.

Section 4 - Move-Out

TRASH – ATTENTION

The Show adheres to a “pack it in, pack it out” philosophy. Please don’t leave your garbage in your neighbor’s space or aisles, take it with you. Failure to do so can result in fines being issued by Show Management.

MOVE-OUT INSTRUCTIONS

No exhibitor may commence to dismantle, pack, or remove any part of their display until 5:01 pm on Sunday, February 1, 2026.

All goods and displays must be removed from the facility by 10:00 pm, Sunday February 1, 2026. Any exhibitor material remaining within the premises of the Tacoma Dome after 10:00 pm, Sunday, February 1, will be removed and placed in storage at the exhibitor's expense.

WARNING: THEFTS MAY OCCUR DURING the confusion of move-out. Watch your display carefully.

No vehicles will be allowed entry to the facility until the aisle carpet has been rolled up. Please do not roll carts over the carpet – hand carry only. This usually takes approx. 1.5 hours after show closing. Please do not impede this process by placing anything on the carpet – aisles must be kept clear.

Vehicles will be directed into the facility for loading only when their display is fully dismantled and ready for loading. This is to ensure that as many exhibitors as possible can move out without congesting the facility.

Exhibitors are STRONGLY advised to bring their own dollies and handcarts. LABEL YOUR PROPERTY.
