

# GARDEN REVELRY

A CONTAINER GARDEN FOR ALL SEASONS

Seattle, WA 98115 • [www.gardenrevelry.com](http://www.gardenrevelry.com)

# CONTAINER GARDENING

Container gardens are a great way to transform both your outdoor and indoor living spaces. They allow you to showcase a variety of plants and create year-round beauty throughout the different seasons while also offering the opportunity and flexibility to change themes and color schemes.

## **Benefits of Container Gardening**

- Flexibility in garden design with the ability to change out plants more easily than in a landscape
- Space utilization
- Easy care and maintenance
- Portability to bring plants you love closer to you and move them to protection from the elements.

# MY FAVORITE EVERGREENS FOR PNW PLANTERS

01. *Azara macrophylla*
02. *Bergenia* 'Winter Glow'
03. *Camellia sasanqua*
