Wi-Fi

VENDORS | EXHIBITORS

Accessing Wi-Fi

1. Open the Wi-Fi setting on your device (phone, laptop, tablet, etc.) that needs access

2. Choose the network "**OaksExpoPublic**"

3. Agree to Terms of Use

4. Choose Purchase Access

5. Choose the plan that works best for you

6. The system will provide a user name and password

Tips

Keep track of your Username and Password - If lost the Expo is unable to retrieve this information.

Log in on multiple devices - Log out of one device and use your Username and Password on another device. Access is only good for one device at a time.
