RULES, REGULATIONS AND BOOTH INFO

Our top priority is to produce a quality event. Two very important aspects to doing this are maintaining the visual integrity of the show and creating an atmosphere where all exhibitors can do business. The following Rules and Regulations help us to maintain these aspects:

1. Shipments to Show Site

Through Main Line Expo: Delivery Info, Payment arrangements must be made with Main Line Expo. Please see their exhibitor kit for details on the shipping label, costs, etc. It is linked on our website [HERE](#).

2. Alcohol

Alcohol consumption is strictly forbidden during all move-in and move-out hours. Additionally, the use or distribution of illegal drugs is strictly forbidden. Any persons including exhibitors, service providers, employees, attendees or anyone else working at or attending the show that does not comply with this policy will be removed from the show and their credentials will be revoked.

2. Animals/Pets

Venue rules prohibit pets on leashes. Small pets can be hand-carried. Exceptions are always made for service dogs.

3. Booth design and construction

Drape and Height:

- Booth rental comes with 8' high back drape and (2) two 3' high side drape, one for each side of the booth (Home booths drape is black, craft booths drape is silver).
- Nothing is to be pinned or stapled to drape – "S" hooks are available through Decorator.
- Exhibit tables, stands, displays, etc. may extend forward all 10' from the rear drape at 8' in height. The outward facing sides of your exhibit must be finished and may not contain any marketing.
- There is one common back drape shared by exhibitors on either side of the drape. Exhibitors must remain on their own side of the drape. Your carpet, bracing, etc. may not extend into the exhibit space behind you.
- No part of your exhibit or product may extend into the exhibit next to you.

Signage:

- Booth rental comes with (1) one identification sign (7" x 44") that includes your company name and booth number.
- All additional signage must be professionally made. Hand-written signs are NOT allowed.
- Signage cannot be attached to any of the venue walls, pillars, etc.
- Signage cannot be above 8' in height in a space less than 20' x 20'.
- Signs above 8' in height may include company name and logo; they may not be used to advertise products and services.
- If signage requires hanging, please contact Decorator. Cost to hang signage is the responsibility of the Exhibitor.
- The use of tents is not allowed on show site.
- Overhead inflatable signs are not permitted.

Flooring:

All booths in the show MUST have floor covering (carpet preferred). No exceptions will be made. Exhibitors may provide their own floor covering or it can be rented from the Decorator.

Credits:

If an additional firm is assisting with your displays, signs, etc. and you would like to give them credit/recognition, you may display one (1) professionally made sign within your booth ONLY if they are an exhibitor at the show. Signage may not exceed 7"x11". If your assisting firm is NOT an exhibitor in the show, call Marketplace Events regarding how they can be identified. If they have NOT leased space from us for the show, they cannot distribute literature in any way inside the facility.

Misc:

Materials such as table draping, cut trees, wood chips and mulch used in the construction of displays must be fire resistant to the satisfaction of the fire department. All tables must be professionally skirted, i.e., skirting that is pleated or shirred and of floor length (no paper or sheets or tablecloths). The only exception is fine, designer furniture.

- The use of microphones is NOT permitted on the show floor unless approved by Show Management.
- Small sound amplification systems for captive-audience demos may be used, but the sound must be inoffensive to neighboring exhibitors.

Admission Passes (aka Exhibitor Complimentary Tickets)

Each Exhibitor will be provided with 10 complimentary printed tickets per 100 sq. ft of booth space, which are for you to distribute to clients, or friends and family. If you would like to have a digital code for additional complimentary tickets, please contact Alex Sawatzki at alexa@mpeshows.com.

6. Fire Regulations

Show Management Regulations:

Material used in exhibits must be fire resistant and are subject to inspection by the Fire Department. No combustible oil or gas can be used as part of an exhibit. All propane and open flames are strictly prohibited. Balloons are not allowed to be distributed from your booth.

Precautions must be taken to prevent the general public from coming in contact with anything that may cause burn or injury. Any product hot to the touch must be placed at the back of your booth, away from the aisle. For those with bulk 20'x20' peninsulas, islands or larger, these products must be positioned in the middle/center area of your space, again, as far away from the aisle(s) as possible. Warning signs must be placed prominently on all such surfaces, horizontal and perpendicular.

As agreed in the contract, exhibitors agree to indemnify and hold harmless Show Management and the venue against, any and all complaints, suits, or liabilities arising out of acts of the exhibitor or his/her representatives, or out of activities within the exhibitor's booth area. Verify with your insurance company if you're uncertain about your coverage. Exhibitors are responsible for damage they cause to the venue including walls and floors and for labor charges to remove stains or adhesives from the walls or floors. Exhibitors will be billed for such damage with the dollar amount of the damage determined by the venue.

9. Materials subject to license or restriction

The playing, performing or other use of any copyrighted music in television or radio transmission, videotape, audio-visual material, or any other work, whether live or recorded, by exhibitor or its agents, representatives or employees is expressly prohibited. Exhibitor agrees to indemnify the venue and Marketplace Events (and their respective officers, directors, owners, employees, insurers, agents, representatives and assigns) against any and all claims and costs of defense, or fees paid by Marketplace Events to ASCAP or BMI, arising from any unauthorized use of any work by exhibitor or any of its agents, representatives or employees.

10. Outside Contractors

Items kept under a skirted table should not be considered secure. If you should have a loss, please notify show management immediately. You should call your insurance company to add coverage to your regular insurance for the time you are exhibiting at the show. Our insurance does not cover your display, your product, or your company. See section 8 "Insurance" for more details about required and recommended insurance coverage.

Nightly tie-down procedures should be practiced using reason and common sense in securing your booth at night so as not to tempt anyone. We recommend that you put string between front posts, move merchandise away from aisles, and cover with flame-retardant material. If you have merchandise that you wish to remove from the hall each night, please notify show management.

17. Exhibiting New Items?

If you will be showing an innovative new item at the Maryland show, please let Show Management know, as we may be able to use this information in media releases or other PR. We would need to know how long it has been on the market as well as a description of the item, including the manufacturer's name and its use.

18. Sales Tax

Exhibitors selling merchandise at the show must have a valid Maryland Sales Tax License or a 30-day temporary license. If you are acquiring leads rather than selling directly, you do not need a license. MPE will send a list of exhibitors to the sales tax division of the state revenue department prior to show opening.

Maryland Tax License application is linked [HERE](#)

Maryland 30-day temporary permit can be obtained by calling the Special Events Section at 410-767-1543

Booth Layout

For standard 10'x10' booths, Marketplace Events provides 8' back drape and 3' side drapes. Exhibit tables, displays, etc. may extend forward all 10' from the rear drape at 8' in height (previously only to 5'). The outward facing sides of your exhibit not covered by drape must be finished and may not contain any marketing.

Exceptions can be made with Marketplace Events' approval in cases where your space constitutes a 4-booth (or more) "island." Please call Marketplace Events to confirm your idea(s).

Exhibitors were previously only allowed to extend displays 5' forward from the back of the booth.

Exhibitors can now extend displays all 10' forward from the back of the booth at 8' in height. The outward facing sides of your exhibit not covered by drape must be finished and may not contain any marketing.

Right

Wrong

Signage may not be displayed above the 8' drape height.

Additional Notes

- Floor covering, preferably carpet – this will improve the image of your booth and your company. No part of your floor covering may extend beyond your booth or stick out into the aisle.
- Professionally skirted tables with floor-length skirting that is pleated or gathered. No paper or plastic (fire regulations). Fine furniture is acceptable without skirting. Card tables and old metal folding chairs detract from your booth and from the Show. Nice furnishings improve your business image and your exhibit.
- Professionally made signs only. No magic marker, grease pencil or "homemade" signs.
