Bryan Baeumler

from *Bryan's All In* on Home
NETWORK

Saturday, January 25 @ 3pm
Sunday, January 26 @ 1pm

Bryan doesn't believe he's put in an honest day's work unless he gets his hands dirty. A natural-born teacher, the Gemini-award winning host has been educating and entertaining viewers across Canada and the US since 2007. His legacy of hit shows includes Disaster DIY, Canada's Handyman Challenge, Leave it to Bryan, House of Bryan, Bryan Inc., Island of Bryan, Renovation Resort, and most recently Bryan's All In – all available to stream now on STACKTV. Bryan's quick wit and easy-going personality have made him a huge hit with viewers on all of his home renovation shows.

Learning valuable tricks of the trade from his father, a meticulous aircraft engineer, Bryan spent his childhood summers building his family's cottage from the ground up. After earning a dual degree in Political Science and Business, Bryan headed towards a career in practicing law. Realizing he'd rather be renovating than being chained to a desk, his innate passion for building took over and he traded in his tie for a tool belt and founded Baeumler Quality Construction.

A few kids and number of hit TV shows later, Bryan continues to tackle home renovation projects, be the spokesperson for numerous products and expand his growing businesses to include Baeumler Approved and Baeumler Custom Cabinetry. Bryan's next adventure has him and wife Sarah tackling new challenges in Building Baeumler, premiering in 2025 on Home Network. For more information about Bryan, visit bryanbaeumler.com.
