## Kenny Brain

from *Life Is Messy* on Home NETWORK

Saturday, January 31 @ 6pm

Sunday, February 1 @ 1pm

Kenny Brain, a Canadian-born general contractor and carpenter from Grand Falls-Windsor, Newfoundland, first gained fame as a houseguest on Season 2 of Big Brother Canada after a stint as a fashion model. Over the past decade, armed with a business degree and formal carpentry training, he's built a thriving renovation career in Vancouver, Nashville, Toronto, and now Calgary, bringing creative flair, functional mastery, and his signature "go big or go home" attitude to every residential and commercial project-sparked in his early twenties while helping friends transform their home and cabin. When he's not on the job site, Kenny loves time with his dog, exploring the Canadian wilderness, fishing at his Newfoundland lodge, or soaking up big laughs and great music anywhere from Montreal rooftops to remote cabins.

Kenny co-hosts *Making It Home with Kortney & Kenny*, now streaming on STACKTV, and will appear alongside Kortney Wilson again in the new Canadian original series *Life Is Messy*, coming soon to Home Network.

# Kristen Coutts

from *Beer Budget Reno* on **Home**  
NETWORK

**Friday, January 30 @ 6pm**  
**Saturday, January 31 @ 1pm**

Known for budget-friendly, glamorous renovations laced with fashion, humour, and genuine laughs, Kristen Coutts is a self-taught home improvement expert. Mastering design, lighting, wainscoting, drywalling, painting, and more, she shares her DIY projects on social media, becoming a beloved resource for fans.

Kristen grabbed her first power tool during maternity leave after moving into a Toronto fixer-upper. Facing high contractor quotes, she tackled the renovation herself, documenting the journey online. Her stunning transformations quickly gained traction, opening doors to client projects.

Previously a guest expert on Cityline, Kristen hosts *Beer Budget Reno* on Home Network, and now streaming on STACKTV. Through her growing platform, she challenges sexism in home improvement and inspires more women to fearlessly pick up power tools.
