PROCEDURE FOR MOVE-IN

Hours for Booth Install

SES will have forklift move-in services available between 8:00 AM and 5:00 PM each day of the scheduled move-in. After 5:00 PM, exhibitors may continue to work on their exhibit space with approval from Marketplace Events. Please note, only select doors will remain open after 5:00 PM. Facility doors remain accessible until 7:00 PM. After 7pm, access will not be permitted. Once an exhibitor exits the facility after 7:00 PM, re-entry will not be permitted.

Show Management provides 20 minutes of free forklift and service to exhibitors arriving in personally owned vehicles (defined as cars, pickup trucks or minivans). Exhibitors requiring more than 20 minutes of assistance will be required to place an order with SES at the Service Desk located on the show floor.

To schedule free forklift service, exhibitors must check-in directly at the Freight Service Desk. This service can not be ordered in advance and will not be scheduled until the exhibitor and shipment have arrived onsite and are ready to be unloaded or loaded. This 20 minute forklift service will be fulfilled in the order in which they are received.

A total of 10 carts will be available to exhibitors during move-in or move-out. If a cart is required, exhibitors must have all their equipment ready to move and they must check-in with the Freight Service Desk representative to check-out a cart. There is no charge for this service, however a drivers' license or credit card will be held as collateral until the cart is returned to the Freight Service Desk.

Carts will be distributed in the order in which the requests are received. Carts will **ONLY** be checked out when exhibitor equipment has arrived on show site or when equipment is packed and ready to go.

Free Forklift Service does not apply to:

Shipments arriving by UPS, FedEx, Common Carrier or any other over the road shipping provider. These shipments fall into the category of Material Handling and can be ordered on the enclosed Material Handling Order forms.

Southern Exhibition Services

Policy Statement

It is the exhibitor's responsibility to advise the SES Service Desk immediately of any problems or discrepancies with regard to orders placed and invoices. No credits will be issued after show closing.

Tax exempt companies are required to supply a current certificate for the state in which the services will be contracted.

There will be a \$35.00 fee for any returned check. Unpaid balances are subject to a finance charge of 1.5% per month or portion thereof (18% annual).

Please consider your needs carefully. Rental items cancelled after move-in begins will be refunded at 50% of their original price. All equipment remains the property of Southern Exhibition Services. Prices include delivery of equipment to the booth, rental for the duration of the show (unless otherwise indicated), and removal.

Should an exhibiting company place an order for a current event while carrying an outstanding balance from a previous event; the current order will not be processed until full payment is received to satisfy both the delinquent invoice and the recent order.

Exhibitor is responsible for rental items throughout the duration of the rental period. Lost or missing items will incur a replacement charge, in addition to the original rental cost. Replacement charge is equivalent to four times the price of one floor rate rental. Damaged, stained, or excessively soiled items (that can be restored to their original condition) will incur a refurbishment charge, in addition to the original rental cost. Refurbishment charge is equivalent to two times the price of one floor rate rental.

Rental rates cover the cost to utilize each item starting on the exhibitor move-in day and ending upon show closing. Please make all items accessible to SES staff at show close, even if you decide not to move-out until the following day, as rental items will begin to be removed from the booths immediately following the close of the show to ensure the return of all SES equipment to inventory. Any rental items that SES is unable to retrieve within four hours, after the close of the show, will incur an additional rental charge at floor rates. This policy applies to any obstacle that would make it impossible for SES to remove a rental item from a booth until after the four hour grace period, following show closing. A few examples include; vehicle left parked on a rental carpet, monitor left on a rental table, or framed picture left on a rental easel.

It is understood that acceptance of all terms and conditions stated throughout this document will be construed when an order for any rental equipment or other service is placed by the exhibitor with Southern Exhibition Services. By placing an order for this event, it is understood that you agree to all policies and terms found within this document. This agreement supersedes any and all previous agreements, or portion thereof, between the above mentioned parties.

Material Handling - Limits of Liability

1. **ACCEPTANCE OF TERMS.** It is understood that acceptance of the following terms and conditions will be construed when any of the following conditions are met:

- The Freight Rate Schedule is returned; or
- Exhibitors materials are delivered to either the Southern Exhibition Services (hereafter referred to as "SES") warehouse or show site for which SES is the Official General Contractor for the event; or
- When an order for any rental equipment, labor, and/or other services is placed by the exhibitor with SES

2. **SES RESPONSIBILITIES.** The responsibility of SES with respect to the goods stored hereunder shall be limited to the exercise of ordinary care and diligence by its officers and employees in receiving, handling, keeping and delivering the same. For purposes of this contract, SES means their employees, officers, directors, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors SES may appoint. SES shall not be liable for loss or damage by natural elements, fire, heat, frost, damp, dust, moths, rust, leakage, deterioration, acts of God, vandalism, theft, civil disturbance, power failure, acts of terrorism or war, labor disputes, lockouts or work stoppages of any kind nor for other causes beyond SES's reasonable control.

3. **SES LIABILITY.** It is understood that SES and its subcontractors are not insurers. The exhibitor is responsible for obtaining the proper insurance to cover their property. SES does not provide for full liability should loss or damage occur. SES's liability shall be limited to the physical loss or damage to the specific article, which is lost or damaged. In any case, the liability of SES is limited to \$.50 per pound per article, with a maximum of \$100.00 per item, and a maximum of \$1,500 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise, by SES, its subcontractors or employees. This applies while these goods are in SES's warehouse, in vehicles for delivery or at show site. SES shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to

exhibit same.

4. EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE COVERING YOUR MATERIALS AGAINST DAMAGE, LOSS AND ALL OTHER HAZARDS FROM THE TIME SHIPMENTS ARE MADE PRIOR TO THE SHOW UNTIL SHIPMENTS ARE RECEIVED BACK AFTER THE SHOW. THIS CAN GENERALLY BE DONE BY ADDING "EXPOSITION FLOATERS" TO EXISTING INSURANCE POLICIES. IT IS UNDERSTOOD THAT SES IS NOT AN INSURER. THAT INSURANCE, IF ANY, SHALL BE OBTAINED BY THE EXHIBITOR AND THE AMOUNTS PAYABLE BY SES HEREUNDER ARE BASED ON THE VALUE OF THE MATERIAL HANDLING SERVICES AND THE SCOPE OF SES LIABILITY AS SET FORTH ABOVE.

5. **PACKAGING.** SES shall not be responsible for damage to uncrated material, material improperly packed, concealed damage, pad wrapped or shrink-wrapped materials, glass breakage, or carpet in bags or poly. Additionally, SES shall not be responsible for crates and packaging that are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be designed to adequately protect contents for handling by forklifts and similar means.

6. **INSURANCE CLAIMS.** The exhibitor must report the damage or loss at the SES service desk at show site and complete our paperwork documenting the incident. Failure to complete the proper paperwork at show site will result in the claim being waived. The exhibitor must submit any written claim for loss or damage within (30) days of the close of the show on which the loss or damage occurred or the claim shall be considered waived. No suit or action shall be brought against SES more than one year after the cause of action accrues.

7. **INBOUND SHIPMENTS.** After the exhibit materials are placed in the booth, SES will not be responsible for condition, count or content. Please remember that there may be a lapse of time between the delivery of shipments to the booth and the arrival of the exhibitor or exhibitor's representative. SES will not be responsible or liable for any loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to the exhibitor's booth at show site. We suggest exhibitors arrange for security services for their booth.

Material Handling - Limits of Liability

8. **EQUIPMENT REQUIRING SPECIAL EQUIPMENT.** Fourteen days advance notice must be provided to SES by the exhibitor in order to obtain special devices to properly load, place or reload equipment requiring such care. SES will not be liable for any damage incurred during the handling of equipment requiring special devices if this advance notice has not been received by SES.

9. **EMPTY CONTAINER LABELS.** The exhibitor is responsible for affixing EMPTY labels (available at the SES service desk) to containers to be stored during the show. It is understood that these labels are used for empty storage only and SES assumes no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.

10. **CLASSIFYING SHIPMENTS.** SES cannot be responsible for classifying shipments. After shipments are tendered to a carrier for shipment, SES cannot be responsible for delivery time or damage or loss to property.

11. **OUTBOUND SHIPMENTS.** All shipments received at the close of the show are subject to a final count. We will count and ship pieces as we find the shipment when we remove them from the booth to load out. All Material Handling Agreements submitted to SES by the exhibitor will be checked at the time of pick up from the booth. Corrections will be made where any discrepancies exist between the quantities of pieces listed by the exhibitor and the actual count of such items in the booth at the time of pick up. SES is not responsible for shipments left in booths by exhibitors. We suggest exhibitors arrange for security services for their booth. **PLEASE NOTE:** Where an exhibitor indicates choice of carrier for pickup, it is the exhibitor's responsibility to arrange with such carrier for said pickup service. In order to expedite removal of freight from the show site, SES shall have the authority to change designated carriers, if such carriers do not pick up on time or refuse to accept shipments. Exhibits not removed from the show on removal day and on which we have no shipping information will be returned to our warehouse at an additional charge to await disposition. SES assumes no liability as a result of such rerouting or handling.

12. **PAYMENT OF SERVICES.** The exhibitor agrees, in the event of a dispute with SES or its subcontractors relative to any loss or damage to any of the exhibitor's freight or equipment, that the exhibitor will not withhold payment in any amount due to SES for freight handling services or any other services provided by SES or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the exhibitor agrees to pay SES prior to the close of the show for all such charges and further agrees that any claim the exhibitor may have against SES or its subcontractors shall be pursued independently by the exhibitor as a complete, separate transaction to be resolved on its own merits.

13. **JURISDICTION.** This agreement shall be deemed to have been made in the State of North Carolina, and that any and all performance hereunder, or breach thereof, shall be interpreted, governed and construed pursuant to the laws of the State of North Carolina, and the parties to this agreement consent that the Circuit Court for Person County, North Carolina shall be the sole forum where any cause of action arising under, or in any way related to, this agreement may be instituted.

14. **MISCELLANEOUS.** Exhibitor, as a material part of the consideration to SES for material handling services, waives and releases all claims against SES, its employees, agents, officers and directors, with respect to all matters for which SES has disclaimed liability, pursuant to the provisions of this contract. The exhibitor acknowledges that he or she has read this agreement, understands it and agrees to be bound by its terms, and further agrees that it is the complete and exclusive agreement between the parties. The invalidity or enforceability of any provision hereof shall not affect, modify, or impair the validity and enforceability of all other provisions herein.

Freight Classification, Overtime, and Surcharge Definitions

Crated – any shipment received that is in a crated container or secured on a skid, arriving via common carrier.

Special Handling – any “crated” shipment arriving via company truck, van line, or other specialized carrier. This includes but is not limited to; Fed-Ex, Ups, or US Mail. Or any “crated” shipments that cannot be unloaded through typical means at a dock. This includes ground unloading, unstacking, or side door loading. Shipments received without paperwork will be delivered without guarantee of piece count or condition.

Uncrated – any shipment arriving loose or without containment (not in a crated container and not secured on a skid) or requiring additional handling above the considerations of “special handling”. Plastic cases are classified as "uncrated".

Overtime shipping - any shipment handled (before 8:00am and after 5:00pm Monday – Friday) and (all day Saturday, Sunday, and on holidays). A \$23.50 per CWT overtime charge applies, in addition to the base rate listed on the previous page of this document, for each occurrence of the following: 1) Your shipment is received or retrieved, at our warehouse or show-site, on overtime. Or 2) Your shipment is moved into or out of the exhibit facility on overtime due to scheduling conflicts beyond our control or by your choice.

Storage - A \$13.25 per cwt per month (or portion) charge applies to shipments arriving at SES warehouse more than 30 days prior to show and to shipments remaining at SES warehouse for more than 3 days after show.

Received late - A \$70.00 per cwt charge applies (minimum charge = \$350.00) for shipments arriving after the deadline date. This deadline is created to cover separate transport of late shipments arriving after trucks / trailers are loaded for transport to show-site.

Return to Warehouse - A \$32.00 per cwt charge applies for transport of shipment, after close of show, to the SES warehouse, in Roxboro, NC, for loading onto outbound carriers or for post show storage.

All shipments **MUST BE PREPAID**. No collect shipments will be accepted either at Southern Exhibition Services warehouse or the facility. Under no circumstances should any shipment be consigned to the facility prior to move-in dates. The facility will refuse and return all such shipments direct to consignee without notification.

If your designated carrier fails to pick up or refuses to accept your shipment by 12:01 pm on Monday, January 13, 2025; your freight will be “forced” onto the official show carrier if space is available. If there is not adequate space available on the official show carrier; your shipment will be returned to the SES warehouse to await your carrier and the applicable surcharge will apply. No liability will be assumed by Southern Exhibition Services as a result of such rerouting and handling. Southern Exhibition Services cannot be responsible for classifying shipments. After shipments are tendered to a common carrier for shipment, Southern Exhibition Services cannot be responsible for delivery time or damage or loss to property.

All loading docks are under the control of the official drayage contractor (Southern Exhibition Services). This is necessary for the total efficient movement of freight in and out. This control will be strictly enforced. An exhibitor may use the loading dock facilities to unload their personal vehicle, please check-in at the SES service desk to schedule dock time. All freight handled by SES will be recorded on a receiving report and charged the rates reflected in this document.

Be prepared for the outbound shipment. Know your destination and if you have a choice of carrier, be sure to contact them in advance. If you prefer to use the official show carrier, service representatives will be available at the Southern Exhibition Services service desk to assist you.
