Select one of the short-term food permit processes below:

- 1) If you already have a Seasonal or Mobile Food Permit or are a registered Cottage Food vendor– please send a copy of that document to Autumn Pennington (AutumnP@MPEShows.com) no later than Friday, February 14, 2025. Note that Food Trucks MUST be DBE-Approved by the Minneapolis Convention Center to participate.

OR

- 2) All other vendors will need to obtain a **Short-Term Permit** – review the process here: [MPLS SHORT TERM FOOD PERMIT PROCEDURES](#)

The Minneapolis Environmental Health Department is now using an Online Form via *Smartsheet*. Each food and beverage vendor who is booked into the Minneapolis Home + Garden Show will be emailed a link to the Smartsheet form. This form will work on any device, and when submitted, will automatically be delivered directly to the health department agents reviewing the permits. The completed online forms are due directly to the health department no later than February 19, 2024 to avoid additional fees.

Permit Fee: The payment of \$47.50 will be billed through Marketplace Events' payment portal only. A payment link will be sent once the health department has received your application.

Not sure of your license status, have questions about the permit form, etc?

If you have further questions about your seasonal permits, licenses, or other practices and requirements for the City of Minneapolis, please reach out to them directly. Be sure to make inquiries early enough to complete the required forms prior to the deadlines above.
