**IF YOU BRING IT IN, HAUL IT OUT! Whether a display is removed from the Show to be used again, or is to be destroyed, remove your entire exhibit. The I-X floor should be left in broom-clean condition.**

## **BOOTH GUIDELINES**

Marketplace Events will provide an exhibitor 8' high back drape and 3' high side curtains (where applicable). No signs, apparatus, shelving, or equipment may extend above 8' in exhibitor's booth space without written permission from Marketplace Events. The exhibit may extend forward 10' from rear of booth out to the aisle at a maximum height of 8' on either side, however, the exterior of any part of the display or structure facing an adjacent booth or aisle must be finished or suitably decorated. Signage may not read into neighboring booths. You may order masking drape from the Show Decorator at your own expense.

There is one common back drape shared by exhibitors on either side of the drape. Exhibitors must remain on their own side of the drape. Your carpet, bracing, etc. may not extend into the exhibit space behind you.

**NO TENTS allowed without show management approval.**

**SAWING OF STONE AND BRICK:** Dry and wet sawing of rock, brick, concrete, etc. is not allowed inside the I-X Center. This is a very strict rule. Dry and wet cutting is permissible outside the building only at Door 4.

## **FLOORING**

Flooring is **NOT** included in the cost of your booth space. It is mandatory that all exhibit booths are carpeted or have some type of professional looking floor covering. All edges must be secured. 100% of your booth space floor must be covered.

- All flooring must be neat and clean.
- No frayed edges allowed.
- All edges of carpet must be taped down—double sided tape is acceptable. The following two brands are acceptable: **Echo Brand—Double Coated Carpet Tape (DCW188F) or Shur**

**Brand—Residue Free (DF545).**

- Duct tape is not allowed to secure flooring.
- You must return the floor to its original condition—otherwise exhibitors will be charged for any damage.

**Materials such as table draping, cut trees, wood chips and mulch used in the construction of displays must be fire resistant.**

**TABLES AND SKIRTING**

It is mandatory that all tables are professionally skirted or have a tablecloth that covers the legs of the table. Skirting must go from edge of the table to the floor on all four sides.

**Use of plastic or paper tablecloths, sheets, or any type of “residential” tablecloths are not permitted—this is strictly enforced.**

The only exception is fine designer furniture, which need not be covered.

All inventory and personal items must be stored COMPLETELY OUT OF SIGHT. Your booth should look professional and inviting to the attendee.

## **STAFFING YOUR BOOTH**

All exhibitors are expected to be in their booths during all published Show hours. We do receive complaints about un-manned displays. **Our visitors pay an entrance fee and expect to be able to do business with our exhibitors at any time during Show hours. If you are in violation of this rule, your company may not be permitted to exhibit with us in the future.**

Working in the aisles or distributing brochures, etc. from any other area other than your booth is prohibited. All activity must take place inside your contracted space.
