Scott McGillivray

Scott McGillivray's passion lies in educating people to make smart investment and renovation decisions to, in turn, build wealth through real estate. Scott has been a top rated HGTV star in Canada & the US for almost 20 years, starring in over 400 episodes of television, and is best known as the star and award-winning Executive Producer of HGTV Canada hit series' "Income Property", "Moving the McGillivrays", "Buyers Bootcamp", and most recently "Scott's Vacation House Rules" and "Renovation Resort". Scott is an accomplished entrepreneur; he's CEO of multiple successful businesses in both the media and real estate sectors as well as a real estate investor with properties across North America. As a skilled contractor, best-selling author, educator, and leading guest expert, Scott McGillivray is trusted for successful renovation and return on investment tactics. He is a respected influencer and digital trailblazer who engages daily with his 1M+ followers.

Leigh-Ann Allaire Perrault

Leigh-Ann Allaire Perrault is a TV personality, colour and design expert, and spokesperson for Rust-Oleum Canada. For the past 16 years, Leigh-Ann has been sharing her hands-on approach to DIY and design on Canada's longest running daytime television show, Cityline. Her work has gained attention for being unapologetically frugal without sacrificing quality and style, and along with being a regular contributor to various national print publications, her projects have been shared internationally. After spending 6 years as a professor of Colour Theory at Sheridan College, Leigh-Ann is now a sought-after speaker lecturing about colour, DIY, and interior design trends.

Megan Golightly

Presented by

When your life is simplified and decluttered, you can enjoy the small moments. Megan Golightly loves what she does and has been doing it for 14 years. She has a passion for problem solving, organizing projects big and small, and working with families to see their homes and lives transformed. Her goal is to help you feel at ease in your home and eliminate the negative feelings you may have about your clutter. It's often hard work but worth it! Megan holds a degree in Psychology and on-going study in Neuroscience peaked her curiosity on how the brain works in relation to the spaces in our homes. It's unhealthy to have nagging critical thoughts about the state of our homes. Whether or not we believe these words, our subconscious mind does. Deciding how and where to start can be paralyzing. Megan can help motivate, inspire and uncover the psychology of organizing. You can find Simplified's Instagram account full of tips, tricks, how-tos, before and afters and more!
