

Dear Exhibitor,

Global Convention Services is pleased to be appointed by Show Management as the Official Show Display Contractor for the 2026 Calgary Fall Home Show. We are excited to support you throughout this event and ensure you have a smooth and successful exhibiting experience.

In the following page, you will find essential details to help you prepare for the show, including booth information and key deadlines to facilitate a seamless exhibition.

You will also receive a **Welcome Letter** from us by email. This letter will provide a direct link to our online ordering portal where you can **set up your new account or sign in** if you have previously used our services. Through this portal, you will be able to place orders for booth rentals, custom graphics, hardwall upgrades to enhance your booth presence, and manage your shipping and material handling requirements.

Please note that **only the primary contact listed for your company will receive the Welcome Letter** and have immediate access to the portal using their email address. As our system allows **only one primary contact per booth/company**, any additional team members who do not have an existing account and require access must contact our Exhibitor Services Department directly. We will be happy to set up their individual login and password.
