Overview

Welcome

TO THE 2026 SALT LAKE FALL HOME SHOW

THIS YEAR, WE'RE THRILLED TO WELCOME Chase Morrill, Ashley Morrill, and Ryan Eldridge from Magnolia Network's hit series *Maine Cabin Masters*. For more than a decade, millions of viewers have followed this talented crew as they restore aging cabins into beautiful retreats while sharing their passion for craftsmanship, creativity, and family.

Be sure to catch them **LIVE on the Design Stage** as they share behind-the-scenes stories, renovation advice, favorite projects, and answer your questions on **Friday, October 9 at 5:00 p.m.** and **Saturday, October 10 at 2:00 p.m.**

Beyond our celebrity guests, you'll discover an incredible lineup of interactive experiences throughout the show. Uncover the secret behind **Hidden Doors, Autumn Pours**, a cozy fall-inspired lounge complete with pumpkins, seasonal décor, a hidden passageway, and a tucked-away **Dirty Soda Bar**. Escape to the **Woodland Weekend Retreat**, featuring a charming cabin setting, outdoor-inspired activities, and campfire conversations designed to inspire your next adventure.

Looking for ideas inside your home? Visit **Piece by Piece**, our designer-curated hobby room showcase, where you'll discover creative ways to transform unused spaces into art studios, craft rooms, music rooms, game rooms, home offices, and other personalized retreats.

Families will love **Bright Beginnings by Kids Market**, featuring more than 50 young entrepreneurs showcasing their creativity, while animal lovers won't want to miss the Fall Show Puppy Bowl, where adorable adoptable puppies compete for your heart—and hopefully, a forever home. Be sure to stroll through Artisan Alley to shop handcrafted treasures from local makers, then join the fun with our Build A Home Scavenger Hunt for a chance to win exciting prizes.

Of course, the heart of the Salt Lake Fall Home Show is where hundreds of trusted exhibitors are ready to help with every home improvement project imaginable. From remodeling and landscaping to kitchens, baths, flooring, windows, décor, outdoor living, and more, you'll find the products, services, and expertise to help bring your vision to life.

Thank you for joining us and allowing the Salt Lake Fall Home Show to be part of your home improvement journey!

MEET THE STARS OF MAINE CABIN MASTERS

AT THE SALT LAKE FALL HOME SHOW

IF YOU'VE EVER DREAMED OF restoring a rustic cabin, creating a cozy retreat, or simply love the chemistry of one of television's most entertaining renovation crews, you're in for a treat. This year, the 2026 Salt Lake Fall Home Show welcomes Chase Morrill, Ashley Morrill, and Ryan Eldridge from Magnolia Network's hit series *Maine Cabin Masters*.

For more than a decade, millions of viewers have tuned in to watch the trio—along with their talented crew—transform weathered lakeside cabins throughout Maine into stunning family retreats. Their mix of craftsmanship, creativity, humor, and genuine family values has made *Maine Cabin Masters* one of Magnolia Network's most beloved shows.

Now, they're bringing their behind-the-scenes stories, design inspiration, and renovation expertise to Utah.

Before they take the stage, we asked them some fun questions so you can get to know the personalities behind one of television's favorite renovation teams.

GET TO KNOW CHASE, ASHLEY & RYAN

Q: What's one tool every homeowner should own?

Chase: A cordless tool kit with an impact drill, Sawzall, circular saw and multi-tool.

Ashley: A tape measure! I use mine constantly...and somehow I'm always losing it.

Ryan: Definitely a cordless impact drill.

Q: What's your favorite houseplant?

Chase: An avocado tree started from seed.

Ashley: I recently rescued a tree that a friend was about to throw away. I repotted all of my indoor plants, and now our house is absolutely full of them.

Ryan: A Snake Plant (Mother-in-Law's Tongue).

Q: What's always in your pocket or bag?

Chase: Hand sanitizer.

Ryan: A pocket knife and a Sharpie—always.

Q: What's the most underrated tool in your toolbox?

Chase: A 6-in-1 screwdriver.

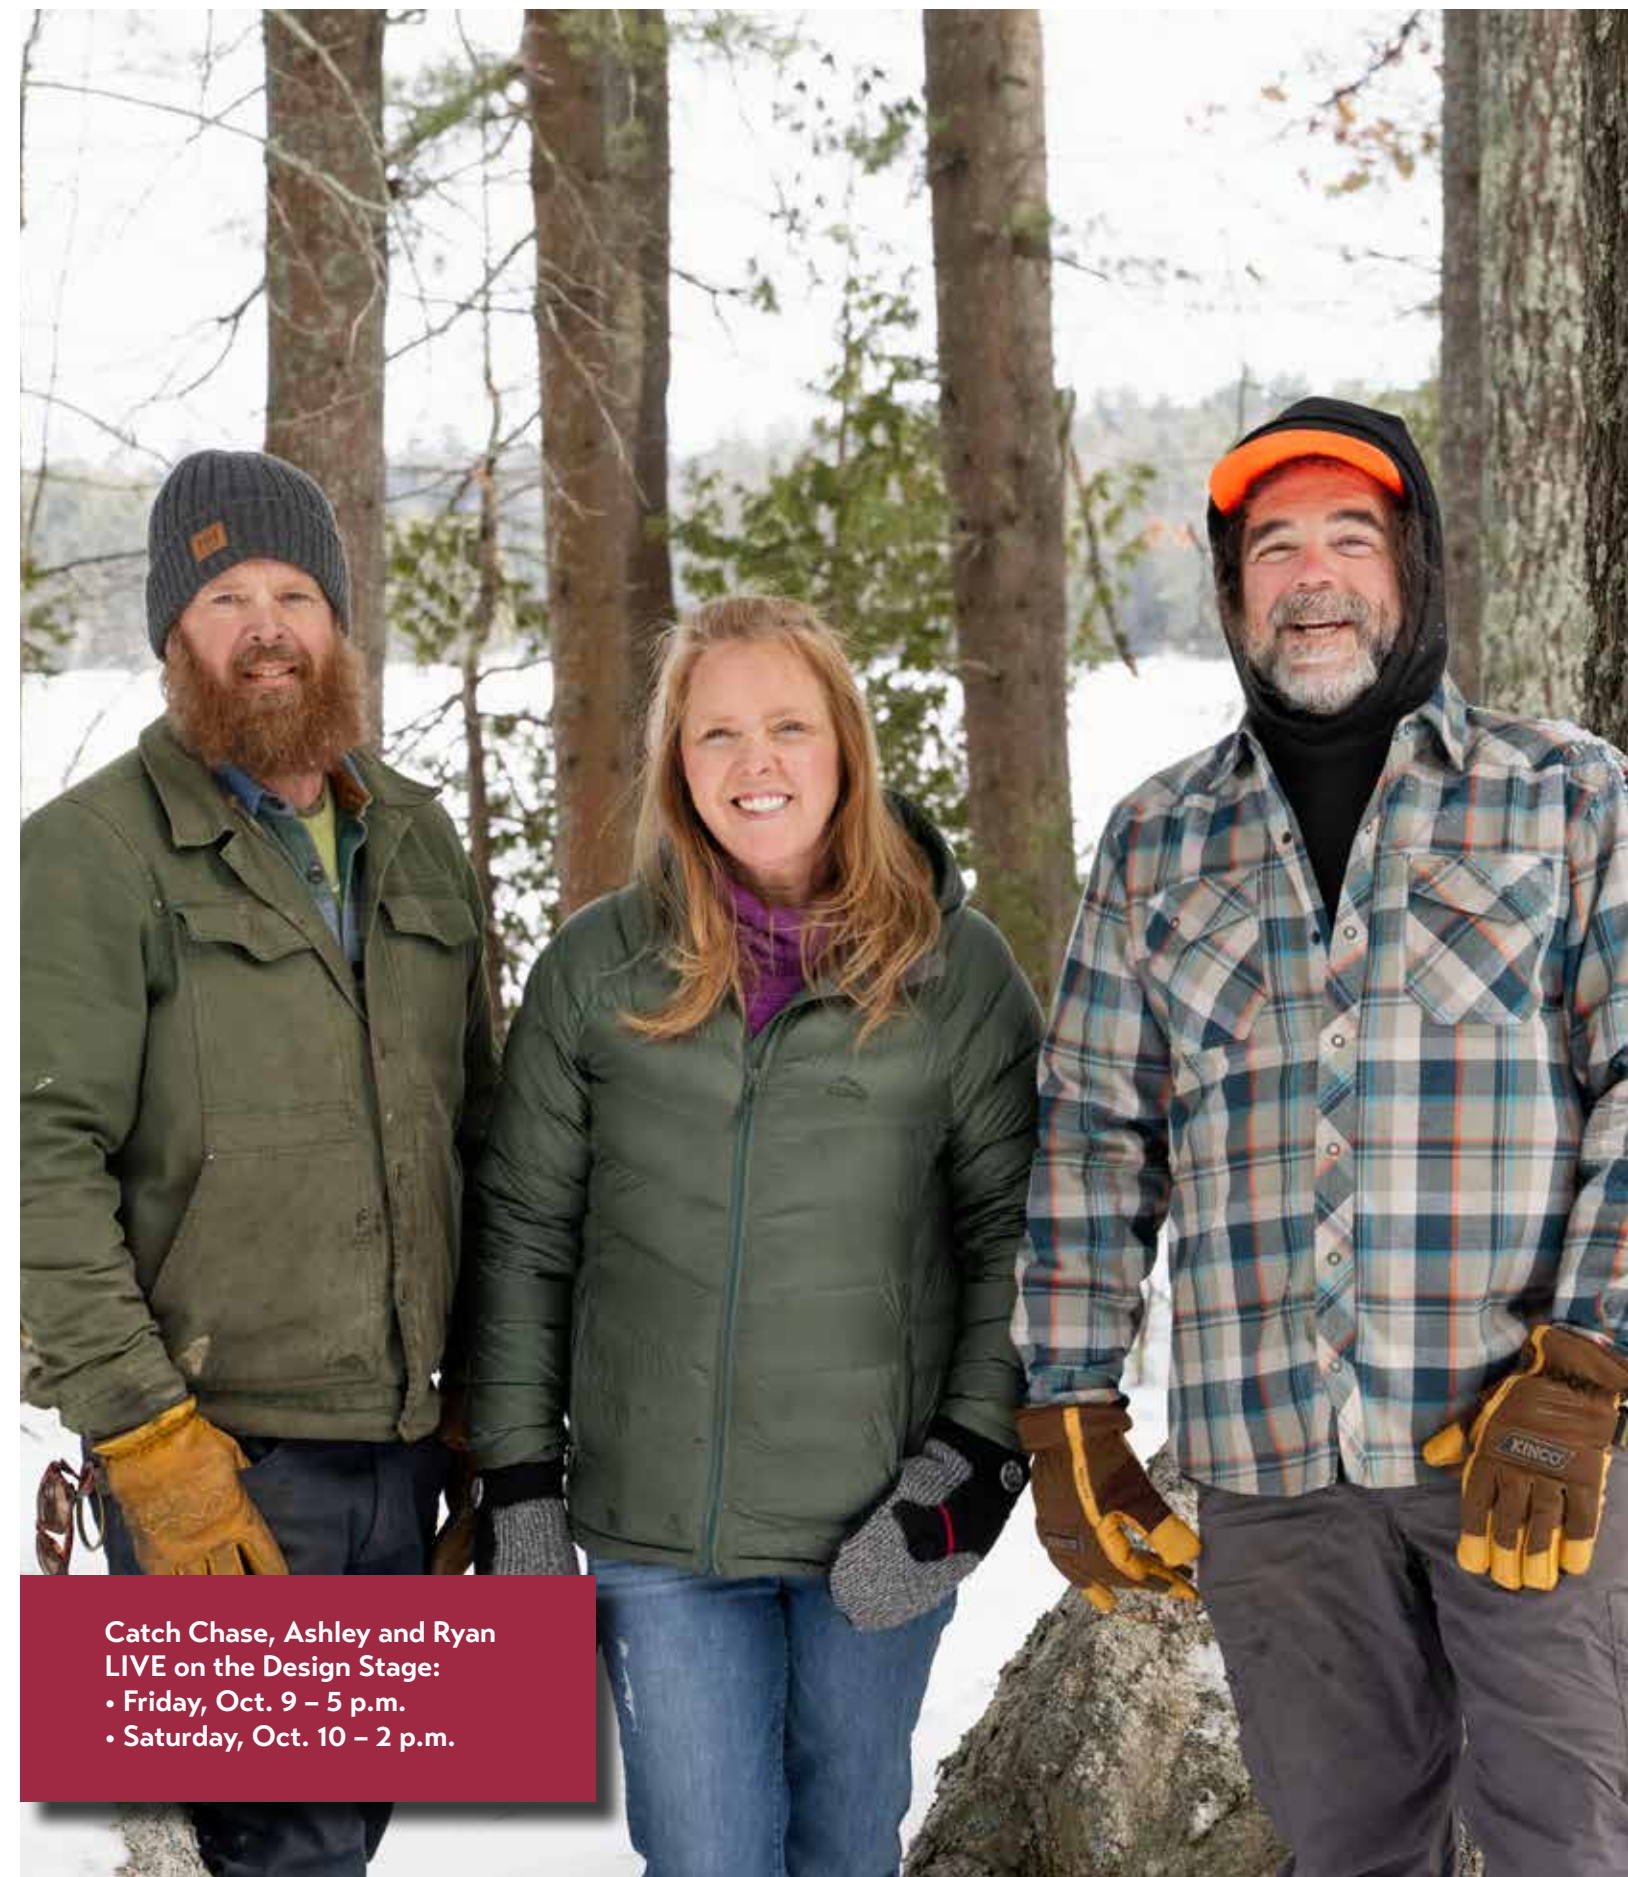

Ryan: The Sawzall.

Q: What's the best home purchase you've ever made for under \$100?

Chase: A battery-powered chainsaw.

Ashley: LL Bean Waterhog doormats. They catch mud, dirt and water better than anything. I also love lobster rope doormats because they really clean off your shoes before you walk inside.

Continued On Page 8

Catch Chase, Ashley and Ryan
LIVE on the Design Stage:

- Friday, Oct. 9 – 5 p.m.
- Saturday, Oct. 10 – 2 p.m.

Q: What project are you working on right now?

Chase: Renovating a seaside cottage for my aunt and uncle.

Ashley: Expanding my home goods company, Rustic County. We started with throw pillows and continue adding new collections—including our upcoming holiday line.

Q: What's one home project homeowners should leave to the professionals?

Chase: Installing skylights.

Ryan: Electrical work.

Q: Tell us about your pets!

Ashley: We have a black Lab named Trigger—named after Willie Nelson's guitar—a rescue dog named Charli, and our cat, Cat-mandu. I could talk about them all day!

Q: What music is playing while you're working?

Ashley: Lots of *Grateful Dead*, *Billy Strings*, bluegrass, and a little classic country.

Ryan: *The Grateful Dead*.

Q: What's one home trend you'd rather never see again?

Chase: Carpet in bathrooms! Although...I'd love to see metal kitchen cabinets make a comeback.

Ryan: Cushioned toilet seats.

Q: What's your next project at home?

Chase: Installing a new metal roof.

Ashley: A mudroom with a walk-in dog shower. We live on a dirt road, so it's going to make life so much easier.

Ryan: Finishing our pool landscaping and outdoor gardens.

Q: What's your favorite part about filming "Maine Cabin Masters?"

Ashley: The incredible places we get to work—lakes, mountains, the ocean—and seeing families' reactions when they walk into their restored cabins for the first time. That's the best part.

Ryan: Getting to travel around Maine with my friends, family...and our dogs.

Q: What are you looking forward to most about the Salt Lake Fall Home Show?

Ashley: Meeting the fans! We always get thoughtful, unique questions that remind us of projects we haven't thought about in years. We love Salt Lake and can't wait to be back!

Ryan: Sharing behind-the-scenes stories that people haven't heard before.

DON'T MISS THEIR LIVE APPEARANCE

Whether you're planning your next renovation, dreaming about a cabin getaway, or simply enjoy watching one of television's most entertaining renovation crews, Chase, Ashley and Ryan promise an engaging presentation filled with practical advice, behind-the-scenes stories, and plenty of audience Q&A. Discover why Maine Cabin Masters continues to capture the hearts of homeowners across the country.

See Chase Morrill, Ashley Morrill and Ryan Eldridge LIVE on the Design Stage:

- Friday, October 9 at 5:00 p.m.
- Saturday, October 10 at 2:00 p.m.

It's just one more reason you won't want to miss the 2026 Salt Lake Fall Home Show.

BUILD IT. FIND IT. WIN IT!

TAKE THE BUILD A HOME CHALLENGE

Think you have what it takes to build a home? At this year’s Salt Lake Fall Home Show, you won’t need a hammer, hard hat, or construction experience to do it. You’ll just need your show guide, a little curiosity, and a willingness to explore!

New this year, the **Build A Home Scavenger Hunt** turns your trip around the show floor into an interactive adventure. Your mission is simple: visit participating exhibitors, find the pieces needed to build your home, and complete your house for a chance to win a **\$75 prize**, awarded daily.

Best of all, you’ll discover home improvement products, services, and professionals along the way.

START WITH YOUR SHOW GUIDE

Your adventure begins right here. Use the special Build A Home section of your show guide to track your progress as you make your way around the show floor and visit participating sponsor booths.

Think of it as your home-building blueprint—and don’t lose it!

FIND THE PIECES

A home needs more than four walls. As you explore the show, look for participating exhibitors representing different pieces of a home—from roofing, siding and foundations to windows, doors, flooring, plumbing and electrical.

At each participating booth, find the designated Build A Home piece or code word and record it in the corresponding space in your show guide.

While you’re there, take a few minutes to meet the professionals behind the products and services. Ask questions, explore new ideas, and learn something that might

help with your own home improvement plans. The scavenger hunt is designed to be fun, but it’s also a great way to discover exhibitors you might otherwise miss.

COMPLETE YOUR HOME

The challenge continues until you’ve tracked down all eight pieces needed to complete your home. Check your show guide carefully to make sure you haven’t missed anything.

Once your house is complete, take your show guide to the Show Office to enter the daily prize drawing. Participating sponsors are contributing prizes valued at \$75 or more, giving you another reason to complete the entire hunt.

EXPLORE MORE. DISCOVER MORE. HAVE FUN!

With hundreds of exhibitors and features throughout the Salt Lake Fall Home Show, there’s a lot to see. Build A Home gives you a fun

reason to explore more of the show floor while connecting with professionals who can help with projects throughout your own home.

Make it a family challenge. Compete with your friends. Or simply see how quickly you can find all eight pieces.

By the time you finish, you may have done more than complete your scavenger hunt. You might discover the perfect flooring for your kitchen, meet the contractor for your next remodel, find inspiration for your outdoor space, or connect with a professional who can finally help you tackle that project on your wish list.

So grab your show guide and start exploring.

Eight pieces. One completed home. And a chance to win \$75 every day.

READY, SET...BUILD A HOME!

FIND EVERY PIECE & ENTER TO WIN (6) DIFFERENT PRIZES!

Think you have what it takes to build a home? At this year’s Salt Lake Fall Home Show, you won’t need a hammer, hard hat, or construction experience to do it. You’ll just need your show guide, a little curiosity, and a willingness to explore!

New this year, the Build A Home Scavenger Hunt turns your trip around the show floor into an interactive adventure. Your mission is simple: visit the locations, find the ‘pieces’ needed to build your home, and complete for a chance to win one of (6) \$75 value prizes, awarded daily!

Best of all, you’ll discover home improvement products, services, and professionals along the way!

RETURN YOUR COMPLETED FORM TO THE SHOW OFFICE
AT THE BEGINNING OF AISLE 1000 TO WIN!

Winners will be called and emailed 20 minutes after the event ends each evening for no later than a Sunday pick up. All prizes need to be picked up by end of final day.

REIMAGINE THE ROOM YOU NEVER USE:

7 CREATIVE WAYS TO TRANSFORM UNUSED SPACES

Nearly every home has one—that spare bedroom or unused room that has become a catch-all for storage bins, holiday decorations, or furniture without a permanent home. But what if that overlooked space became your favorite room in the house?

Today's homeowners are thinking beyond traditional guest rooms and creating personalized spaces that reflect their hobbies, interests, and lifestyles. Whether you've been dreaming of a home office, art studio, game room, or quiet reading retreat, reimagining an underused room can improve the way you live while adding value to your home.

Here are seven ideas to help you transform an unused space into something extraordinary.

1. DESIGN AROUND YOUR PASSION

The best room makeovers begin with one simple question: What do you wish you had space to do? Whether it's painting, sewing, crafting, gaming, playing music, reading, exercising, or working from home, creating a room centered around your interests ensures it will become a space you'll actually use and enjoy.

2. CREATE A FUNCTIONAL LAYOUT

Before purchasing furniture or décor, think about how you'll use the room. Arrange furniture to support the room's purpose while maintaining an open flow. Even a small space can feel spacious when thoughtfully planned.

3. LET LIGHTING SET THE MOOD

Lighting can completely transform how a room looks and feels. Maximize natural light whenever possible, then layer in overhead fixtures, task lighting, and accent lamps to create a comfortable environment for working, relaxing, or creating.

4. MAKE STORAGE PART OF THE DESIGN

Every specialty room needs smart organization. Floating shelves, cabinets, decorative baskets, pegboards, and built-in storage help keep supplies organized while adding style. A well-organized room feels larger, cleaner, and more inviting.

5. CHOOSE FLEXIBLE FURNITURE

Select furniture that works as hard as you do. Fold-away desks, modular shelving, storage benches, and expandable worktables allow the room to adapt as your hobbies and needs

change. Comfortable seating is equally important if you'll be spending extended time in the space.

6. ADD PERSONALITY

This is your opportunity to create a room that reflects who you are. Display artwork, collections, family photos, musical instruments, travel souvenirs, or favorite books. Whether your style is modern, rustic, colorful, or classic, personal touches make the room feel warm and welcoming.

7. MAKE IT COMFORTABLE

The rooms we use most are the ones that invite us to stay. Add soft rugs, comfortable seating, window treatments, throw pillows, and calming colors to create a space that's both beautiful and relaxing. When comfort and function come together, your spare room becomes a destination instead of an afterthought.

FIND INSPIRATION AT THE SALT LAKE FALL HOME SHOW

If you're ready to transform an unused room into a space you'll love, the Salt Lake Fall Home Show is the perfect place to begin. Visit Piece by Piece, a designer-curated showcase featuring inspiring hobby rooms that demonstrate creative ways to transform ordinary spaces into art studios, craft rooms, game rooms, music rooms, home offices, and other personalized retreats.

You'll also find hundreds of home improvement professionals, furniture specialists, organizers, contractors, and décor experts ready to help you bring your vision to life. Whether you're planning a simple weekend makeover or a complete renovation, you'll leave with fresh ideas, practical solutions, and the inspiration.

Design Stage schedule

CAMERON ALLCOTT
Progressive Plants

Cameron Allcott is Chief Technology Officer of Progressive Plants, Utah's largest wholesale production nursery. With 30 years of plant expertise, he helps homeowners understand what thrives in Utah's dry climate and create beautiful, resilient, water-wise landscapes.

CYNTHIA BEE
Slow the Flow

Cynthia Bee is the Sustainable Landscapes Expert for Utah's Slow the Flow campaign. A landscape architect with more than 30 years of experience and one of the creators of Localscapes, she makes beautiful, water-wise landscaping practical and approachable.

MADELINE SUELZT
Jordan Valley Water Conservancy District

Madeline Suelztz helps homeowners and businesses discover practical ways to conserve water and create sustainable landscapes. Through classes, events and community outreach, she connects Utahns with resources and programs that make water-wise living approachable and relevant.

MIKE HEWETT
King Construction Services

Mike Hewett is president of King Construction Services and a general contractor with more than 35 years of experience. His award-winning work has appeared in the Salt Lake Parade of Homes, and he hosts *The Remodel King* YouTube channel.

VY HO
New Roots

Vy Ho works with the International Rescue Committee's New Roots Program, supporting agriculture programs, community gardens and farmer training for refugee and New American communities. Her background in agriculture, education and social work fuels her passion for food and community.

ASHLEY BEINVENU
NEAT Method Park City®

After living in a 200-square-foot apartment in France and moving eight times in 10 years, Ashley Beinvenu knows organization. The former tech professional and licensed realtor now puts her organizing expertise to work as owner of NEAT Method Park City®.

EMILY WAYMONT
EBW Design

Emily Waymont studied landscape design and architecture in England, including with Chelsea Flower Show gold medalists, and further refined her skills at Temple Square. Through EBW Design, she brings her lifelong passion for plants to creating timeless gardens.

DR. BRAD WASHA
USU Extension

Dr. Brad Washa specializes in creating fire-resilient landscapes and reducing wildland fire risks. His expertise includes fuels treatments, prescribed fire, smoke management, risk analysis and strategic planning, along with helping dispel misinformation surrounding wildland fire and preparedness.

GABRIELA MURZA
USU Extension

Gabriela Murza brings 20 years of public health experience to Utah State University Extension. Her work focuses on health and wellness, resilience and injury prevention, helping Utahns adopt practical behaviors that support healthier, safer lives.

JESSICA LANNING
Lanning Financial

Jessica Lanning, JD, CFP®, is a financial planner with more than 20 years of experience guiding families through major financial decisions. Drawing on her professional expertise and personal remodeling experience, she helps homeowners make informed decisions about renovations and home value.

Thank You to Our 2026 Show Sponsors & Partners

2026

Circle Of Excellence

The Salt Lake Fall Home Show team would like to honor five exhibitors with the 2026 Circle of Excellence title. The members of our Circle of Excellence have participated in 15 or more Home Shows and earned an "A" rating or higher with the Better Business Bureau.

Thank you to this year's honorees for their outstanding commitment to current and future customers!
