ARE THERE RULES FOR SIGNAGE WITHIN AND ABOVE MY BOOTH?

Handwritten or unprofessional signs are not permitted. If the sign is attached to the booth, the top of the sign must not be higher than 12' from the floor with the bottom being at least 8' from the floor. Signs hung from the ceiling must be 11' from the floor to the bottom of the sign and 3' less than your booth width. All signage must be single sided, face the aisle in front of the booth and cannot be attached directly to the top of the back wall. It must be completely within the cubed boundaries of the rented space and must be finished when facing into a neighboring exhibit. For any signage printing, management has appointed GES as sign contractor. Cost of banner hanging is the responsibility of the exhibitor and must be ordered through ShowTECH.

WHAT ARE THE BOOTH REGULATIONS?

- Exhibitors must supply their own tables and chairs (if needed) or they can be rented from the decorator (GES).
- Booth personnel are required to work within the confines of their booth space. Working in the aisles is not permitted.
- Show Management reserves the right to refuse entry or to remove at the exhibitor's expense, any display that is not in accordance with these rules and regulations. If any doubt exists, the exhibitor must provide details and have such exhibits approved by Show Management. Management may require exhibitors to make such alterations to their displays as it deems necessary to the proper conduct of the exhibition and, if failure to comply, may order the immediate removal of the entire exhibit without compensation and at the exhibitor's expense.
- **Appropriate floor covering is mandatory for every booth.** This could be carpet, interlocking stone, ceramic tile, linoleum, etc. and must cover the entire surface of your exhibit space. Companies without proper flooring will be made to rent appropriate flooring at their own expense.
- Exhibitors need to make arrangements to dispose of any shipping crates or other rubbish created through the building or dismantling of their individual displays. Exhibitors are responsible for removing their own trash. Please plan accordingly.

- Inline booths may reach a maximum of 8' in height. Island booths may be over 8' in height. Perimeter booths may be 10' in height on back wall only. No walls or drape are allowed on the aisle side of the exhibit unless approved in advance by Show Management. If unsure, please contact Show Management prior to set up.

- Exhibits must have 8' high walls along the sides and at the back of the booth; however, booths along the perimeter of the show are required to have 3' side walls unless approved by Show Management. All solid walls must be neatly finished on both sides where visible.
