MEET OUR EXPERTS

Bryan Baeumler

Television Personality | Contractor | Businessman

Bryan doesn't believe he's put in an honest day's work unless he gets his hands dirty. A natural-born teacher, the Gemini-award-winning host has been educating and entertaining viewers across Canada and the US since 2007. His legacy of hit shows includes Disaster DIY, Canada's Handyman Challenge, Leave it to Bryan, House of Bryan, Bryan Inc., Island of Bryan, Renovation Resort, and most recently Bryan's All In – all available to stream now on STACKTV. Bryan's quick wit and easy-going personality have made him a huge hit with viewers on all of his home renovation shows.

Learning valuable tricks of the trade from his father, a meticulous aircraft engineer, Bryan spent his childhood summers building his family's cottage from the ground up. After earning a dual degree in Political Science and Business, Bryan headed towards a career in practicing law. Realizing he'd rather be renovating than being chained to a desk, his innate passion for building took over, and he traded in his tie for a tool belt and founded Baeumler Quality Construction.

A few kids and a number of hit TV shows later, Bryan continues to tackle home renovation projects, be the spokesperson for numerous products and expand his growing businesses to include Baeumler Approved and Baeumler Custom Cabinetry. Bryan's next adventure has him and wife Sarah tackling new challenges in Building Baeumler, premiering in 2025. For more information about Bryan, visit bryanbaeumler.com.

Adam Weir

TV Personality | Producer | Contractor

Adam Weir brings a unique mix of humour, hard work, and hands-on experience to the world of construction and entertainment. Adam mastered the art of tackling unexpected challenges with a smile as Bryan's right-hand man on the popular series, Island of Bryan. Whether serving as construction coordinator, project manager, or on-camera talent (most recently on Bryan's All In), Adam has worn many hats—literally and figuratively. Since his time on the island, he's swapped sand for studio lights, producing, directing, and filming content for top suppliers and sponsors. This year, Adam is excited to combine his passion for storytelling and love of construction to inspire and entertain you.
