Bryan Baeumler

Presented by

Saturday @ 4:00pm & Sunday @ 12:00pm

Bryan doesn't believe he's put in an honest day's work unless he gets his hands dirty. A natural-born teacher, the Gemini-award winning host has been educating and entertaining viewers across Canada and the US since 2007 on the hit shows *Disaster DIY*, *Canada's Handyman Challenge*, *Leave it to Bryan*, *House of Bryan*, *Bryan Inc.*, *Island of Bryan* and most recently *Bryan's All In* which will air later this spring. Bryan's quick wit and easy-going personality have made him a huge hit with viewers on all of his home renovation shows.

Learning valuable tricks of the trade from his father, a meticulous aircraft engineer, Bryan spent his childhood summers building his family's cottage from the ground up. After earning a dual degree in Political Science and Business, Bryan was headed towards a career of practicing law. Realizing he'd rather be renovating than being chained to a desk, his innate passion for building took over and he traded in his tie for a tool belt and founded Baeumler Quality Construction.

A few kids and number of hit TV shows later, Bryan continues to tackle home renovation projects, be the spokesperson for numerous products and expand his growing businesses to include Baeumler Approved and Baeumler Custom Cabinetry. His new show, *Building Baeumler* takes a behind the scenes look at Bryan and his wife Sarah where we follow the power couple as they take on a hotel renovation in the Florida Keys, invest in an ambitious expansion of their Bahamas resort, and tackle a personal renovation back home in Canada – all while juggling their family commitments. Bryan and Sarah are pulling back the curtain to share it all; *Building Baeumler* premiered on the Home Network on September 7th. For more information about Bryan, visit bryanbaeumler.com.
