Saturday @ 4:00pm &
Sunday @ 1:00pm

Sarah Baeumler is a dynamic design expert and one of HGTV's most beloved stars, known for bringing modern, intentional living spaces to life. Whether she's transforming a space on Bryan Inc., Renovation Inc., or Island of Bryan/Renovation Island alongside her husband, Bryan Baeumler, Sarah's passion for blending luxury with functionality always shines through. Their journey on screen captures not only their incredible design work but also the heart and hustle of balancing family life while raising four beautiful children.

Outside of TV, Sarah's creativity and vision extend into hospitality and retail. She co-developed Caerula Mar, a boutique luxury resort in the Bahamas, where every detail reflects her thoughtful approach to design. Plus, she's launched a retail line featuring curated jewelry and apothecary, as well as Sarah Delivered—a seasonal subscription service that brings beautifully crafted lifestyle pieces right to your door.

No matter the project, Sarah's goal is always the same: to make luxury feel accessible, intentional and long-lasting. With a large and ever-growing community behind her, Sarah continues to inspire and engage her audience by sharing content that empowers them to bring their own dreams to life—whether through design, lifestyle choices, or simply embracing everyday moments with intention and purpose.
