Minneapolis Home + Remodeling Show
Food and Beverage Vendor Procedures - 2027 SHOW

Food Vendors at the Minneapolis Home + Remodeling Show MUST:

Review the Stadium rules included in this document and be pre-approved through Show Management.

Click here to review (food rules on page 2): STADIUM RULES

Select one of the short-term food permit processes below:

1) If you already have a Seasonal or Mobile Food Permit or are a registered Cottage Food vendor– please send a copy of that document to Autumn Pennington (AutumnP@MPEShows.com) no later than Friday, January 15, 2027 for confirmation by the Health Department. If they require any follow-up, they will notify us.
2) All other vendors will need to obtain a **Short-Term Permit** – review the city of Minneapolis guidelines here:

   MPLS SHORT TERM FOOD PERMIT PROCEDURES

   The Minneapolis Environmental Health Department uses an Online Form via *Smartsheet*. Each food and beverage vendor who is booked into the Minneapolis Home + Remodeling Show will be emailed a link to the Smartsheet form. This form will work on any device, and when submitted will automatically be delivered directly to the health department agents reviewing the permits. The online forms are due directly to the health department no later than January 22, 2027 to avoid additional fees. However, because it is recommended that you submit your form earlier so that there is time to address any further questions they may have, the due date for permit applications for the 2027 show is **JANUARY 15, 2027**.

   If you do not wish to use the online *Smartsheet* form, you can submit the PDF application available through the Minneapolis Environmental Health Department in the link above.

   Permit Fee: The Health Department charges $100 (rate verified as of 10/6/26) but is subject to increase in January 2027) for the permit, which will be billed through Marketplace Events' payment portal only. A link will be sent upon receipt of the permit application. It will be due within 4 business days of receipt.

   As of the 2026 season the State of Minnesota is now charging an additional $50 fee for all food vendors that request permits in the City of Minneapolis – that charge comes directly from the State and is not handled by Marketplace Events. To review the information page click link HERE

If you have further questions about your seasonal permits, licenses, or other practices and requirements for the City of Minneapolis, please reach out to them directly:
