

TABLE SKIRTING INFORMATION

What is Table Skirting?

It is mandatory that all tables are properly skirted.

- Skirting must go from the edge of the table to the floor on all four sides.
- All skirting must be pressed and neat.
- Use of plastic tablecloths, sheets, shower curtains or any type of "makeshift" tablecloth is not permitted.
- Any incorrectly skirted tables will be skirted at the Vendor's expense. We appreciate your cooperation.

Where can I get Table Skirting?

- You can rent tables that will be properly skirted from the show decorator, **Fern Expo**. For pricing, please visit "Show Decorator Services" in our **Vendor Kit**. **Note the discount deadline is October 24, 2025.**
- You can also bring your own table skirting. It is cost-efficient to invest in table skirting/coverings if you will be doing more MPE shows. Our company mandates that proper table skirting is used in all of our shows.

Why do I need Table Skirting?

- This is the perfect place to store additional inventory and personal items as they are required to be completely out of sight.
- It is aesthetically pleasing to the attendee.

Where can I purchase Table Skirting?

- Any of the box retail stores like Walmart, Target, or online companies have pieces for purchase.
