

What is Floor Covering?

It is a cover for your booth floor, such as carpet or foam flooring. Floor covering is mandatory and must cover your entire booth space.

Why do I need Floor Covering?

- The floor covering in the booth is simply for aesthetics. It is pleasing to the eye and helps your booth look nice for the attendees that are visiting.
- It is also comfortable for your feet after standing for long hours on concrete!

Where can I get a floor covering?

- You can rent a piece of carpet from the show decorator, **Fern Expo**. For pricing and more information, please visit "Show Decorator Services" in our **Vendor Kit**.
Note the discount deadline is October 24, 2025.
- You can also bring your own flooring. It is cost effective to invest in flooring if you will be doing more MPE shows as it is required to use flooring in all our shows. Please note that you must use double-sided carpet tape to secure floor covering.

Where can I purchase floor covering?

- Any of the box retail stores like Walmart, Target, or Costco have pieces for purchase.
