GETTING STARTED IN TOURNAMENT KAYAK FISHING

Presented by: DANIEL PELAYO

From an early age Daniel has developed a passion for fishing. From fishing stocked ponds for rainbow trout to tournament fishing. Daniel has spent the last five years honing his skills in kayak fishing and the last three seasons competing in Ontario tournaments, including the OKBT Classic Kayak Fishing Series and Ontario Kayak Bassmasters. Daniel has fished waters from the St Lawrence River to Lake St Clair and serves as ProStaff for Rapala Canada while partnering with Kawartha Pro Paddle and Woo Tungsten.

To Share his passion with others, Daniel publishes gear reviews, tournament recaps and how to guides on his blog Bassology Fishing and runs a youth fishing league with Fishing Friendzy out of Ken Whillians in Caledon to teach safe, ethical angling practices.
