1. **Leupold.** Not only is Leupold the presenting sponsor of the show but they'll also have scopes and other optics for sale in their booth. It's your best opportunity to connect with Leupold factory experts with answers to your questions on scope mounting and optics as well as buy the hard-to-find Leupold gear you've been looking for.
2. **Progressive Bucking Bass.** Get your picture taken on Progressive's Bucking Bass...it's FREE! Just check-in at the Progressive booth and they'll take care of the rest. These are keepsake quality photos and a wonderful way to capture the moment at the Washington Sportsmen's Show.
3. **Les Schwab Kids Trout Pond.** The Les Schwab Kids Free Trout Pond returns to the Washington Sportsmen's Show and is stocked to the gills (pun entirely intended) with fat, frisky rainbow trout. It's free for kids 12 and younger and everything you need is provided free including a plastic bag to take your trout home! Of course, if you want to put it back after catching it your child can do that too, but you're welcome to take them home for a trout dinner. Unlike any other feature in the show, the Kids Free Trout Pond has become a generational favorite with grandparents who caught their first trout now taking their grandkids. Many a fishing career started at this iconic pond --- we even have a few in our office that got their start fishing at the Kids Free Trout Pond!
4. **3D Open Archery Challenge** sponsored by Dave's Sport Shop and Skookum Archers. The 2nd annual! Open to all archers and equipment (except crossbows), this "Challenge" pits your talent against multiple targets placed at varying distances. It's outside, so the elements play into this competition as well. There's a \$10,000 total prize pool this year, thanks to Dave's Sport Shop! There are three divisions, 2 adult divisions, an open and single string and a youth division. The purse for the Open Division is \$5,000 with 1st place winning \$2,500, 2nd place at \$1,500 and 3rd place netting \$1,000. Same for the Single String Division. The Kids Division, for archers 14 and younger, win top-flight archery equipment. Open, Single String and Youth Division winners also win custom belt buckles!
5. **Steelhead River.** It's the only indoor river of its kind in the world...complete with live steelhead! There are current seams and structure just like you'd find on the coast. Steelhead experts from across the region share their expertise through daily seminars held at and in the river. For seminar times, speakers and topics visit www.WASportsmensShow.com.
6. **Toyota Plinko Promo!** It's free and everyone wins! Visit the Western Washington Toyota Dealers booth, check-in and take your turn on the Plinko board. Maybe you'll be one of the lucky ones that scores one of the big prizes and they're incredible! There are great prizes that will be given away daily like: gift cards, sportsmen's show hats and much more! It's easy to find in the back of the Showplex in the Western Washington Toyota Dealers booth.
7. **Head-N-Horns above the rest.** If 2025 was the year you bagged a trophy deer, elk, moose, goat or other game, then bring your head-n-horns to the show, have them scored and see if you're in line for a record or one of the great prizes that have been provided by such notable companies as Leupold, Fort Knox, Danner/LaCrosse, Ruger and Benchmade. There are lots of categories and more to this competition than space permits but it's safe to say if there's an impressive set of horns, a head, turkey beard or antlers in your attic, bring them to the show --- they may be a winner! It's \$40 to have them measured, scored and entered into the competition.
